Prophets and Kings

Ellen White continues her controversial interpretation of scripture when she starts to cover the kings from Solomon and ending with Malachi. Although her writings form the basis of belief in the Seventh-Day Adventists, her view of scripture was highly challenging in the day it was written and causes many people to go back and reconsider everything they have been told.

Endgame

The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively. The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding, teaching, and illustrating the text.

The Story of Prophets and Kings

This book is the sequel to the author's major success Patriarchs and Prophers and the second in the series Conflict of the Ages. It spans sacred and biblical history, beginning with Solomon, the Temple and its dedication. It gives detailed information on the prophets of the Northern Kingdom, preachers like Ahaz and Hesekiah and many more. All topics are related in an interesting, narrative style that charms the reader and opens up to him new beauties in the Scriptural record.

Futurism's Incredible Journey

In seeking to promote and support the Calvinist position, Benjamin Warfield sought to champion the cause by making some rather extravagant statements: "He who believes in God without reserve and is determined [free will!] that God shall be God to him, in all his thinking, feeling, willing - in the entire compass of his life activities, intellectual, moral, spiritual - throughout all his individual, social, religious relations - is, by the force of that strictest of all logic which presides over
Get Free Daniel Gods Control Over Rulers And Nations Macarthur Bible Studies

The outworking of principles into thought and life, by the very necessity of the case, a Calvinist." This can only be described as a ridiculously elitist statement. To believe in God in the terms described, does not even remotely require a person to be a Calvinist. Likewise, the following quote from Warfield is equally elitist in the extreme. "Religion (sic) in its substance is a sense of absolute dependence on God and reaches the height of its conception only when this sense of absolute dependence is complete and all pervasive, in the thought and feeling and life. But when this stage is reached we have just Calvinism". Sadly this statement is arrogant nonsense! Is this position—absolute dependence on God, etc.—not true of EVERY Christian? It is this arrogant approach that raises a serious concern of an elite theology above the Scriptures. Such statements demand that a corrective be given, and hence this book.

The Book of Daniel

Daniel

These study guides, part of a 16-volume set from noted Bible scholar John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are an invaluable tool for Bible Students of all ages.

The Disciple Making Minister

An expositional commentary on the book of Daniel, explaining in clear and practical terms its timely message.

Knowing Him by Name

"John Phillips writes with enthusiasm and clarity, . . . cutting through the confusion and heretical dangers associated with Bible interpretation." --Moody Magazine

The Moody Handbook of Theology

In the book of Acts divine involvement is everywhere. From the beginning God is responsible for promised action, including the geographic expansion--"in Jerusalem, and in all Judea and Samaria, and to the ends of the earth" (1:7)--referenced in Jesus' response to the disciples, clearly related to Luke's purpose in writing the book. Geographic expansion, however, is only the second part of Jesus' reply. Is it possible that the first half of Jesus' reply--"It is not for you to know the times or dates the Father has set by his own authority"--has even greater bearing on the actions that follow and on Luke's purpose? Is the Father setting times and seasons related to the kingdom's establishment? Does this phrase explain the conspicuous divine involvement throughout the plot? In Restoring the Kingdom, Michael Salmeier answers these questions in the affirmative by exploring Luke's characterization of God in three strands: God as the King who establishes and restores Israel's king, who establishes his people, and who directs events. This unfolds Luke's purpose in assuring the reader concerning the events that have taken place, helping to more fully illuminate Luke's theology concerning God and his kingdom.

Daniel's Prophesy
Called to Be God’s People is an introduction to the Old Testament designed for those who wish to have a comprehensive guide to the contents, theology, and important passages of the Old Testament. Written from a Lutheran perspective, this book is especially designed for those within that tradition and others who seek a guide to the canonical books of the Old Testament that consciously presents the Scriptures’ message of Law and Gospel as well as the traditional Christian messianic understanding of Moses and the Prophets that points to Jesus as the fulfillment of God's promises to Israel. This book is an ideal condensed handbook for university students and other Christian adults who seek to expand their knowledge of the background, content, and message of the Old Testament and its importance for Christian faith and life. It introduces important background information on each book of the Old Testament along with a general discussion of contents and theology. Included are illustrations, maps, tables, charts and sidebars. A concluding chapter on the centuries between the Old and New Testaments overlaps with a similar treatment contained in the New Testament volume in this series, Called by the Gospel, allowing for a smooth transition to the study of the rest of the Christian Scriptures.

**Daniel (Teach the Text Commentary Series)**

Through the study of the book of Daniel, we learn how to trust God in the midst of challenging times. The first half of Daniel contains stories about Daniel and his Hebrew friends, in which the kings of Babylon threaten to bring the faithful Jews to an end. In each case, however, God overrules the human rulers with amazing interventions that protect the Hebrews. The second half of Daniel contains visions of the end that unveil the deeper dimensions of God's present and future sovereign rule. The visions show that just as God ruled over the life and times of Daniel, God continues to rule over every earthly kingdom. Ultimately, God will bring all human kingdoms to an end, and He will establish His eternal kingdom with Jesus the Messiah as king. Daniel's visions assure us that God is in control and that we can trust in Him. The visions of the end give us vibrant hope so that we can fulfill our mission as faithful witnesses of Jesus Christ until He returns. Even in the face of difficult challenges and persecution, we can live faithfully in the light of the end. This study guide will lead you through an easy six-step process of inductive Bible study: 1. Reading for First Impressions, 2. Reading for Discovering the Facts, 3. Marking the Text, 4. Reading for Transformation, 5. Reading for Interpretation, and 6. Hearing and Obeying God's Word. Through these six steps, you will be guided into deeper discoveries that will enrich your relationship with God and strengthen your faith.

**Daniel**

Daniel, the lone apocalyptic book in the Old Testament, has challenged readers throughout the centuries with its obscure, enigmatic style. Endgame offers a careful introduction to Daniel and apocalyptic literature, a new formal translation of the Hebrew, Aramaic, and Greek texts, and a verse-by-verse commentary on the book of Daniel, including the Additions made to Daniel in the Deuterocanonical (Apocryphal) literature. In accessible, easy-to-read style, this up-to-date work illuminates the apocalyptic book of Daniel in the light of its ancient literary, historical, and archaeological setting and shows its vital relevance to ancient and modern readers.

**Cycles of Salvation History**

A New York Times Bestseller! In Finding Jesus in the Old Testament, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty-nine Old Testament books. The key to the secrets
of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus. With that key, and with Limbaugh as a deft guide, readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival. Limbaugh takes readers on a revealing journey from Genesis through Malachi, demonstrating that a consistent message courses through every one of the Old Testament's thirty-nine books: the power, wonder, and everlasting love of Jesus Christ. Previously published under the title The Emmaus Code.

**The Antichrist and the Second Coming**

**Exploring the Book of Daniel**

The first part of the present book casts a new light on the Genesis vs. science issue, the second part points out that salvation history is repeating itself through cycles of four typical phases and, based on this, the third part shows that Marian apparitions are predicted by Scriptures.

**Parent Teacher Handbook**

The book of Daniel is key to the entire Old Testament prophetic revelation. Who better to help you understand Daniel's stories, prophecies, and dreams—and give you a brighter hope for things to come—than John F. Walvoord, one of evangelicalism's most prominent leaders, and Charles Dyer, a Bible professor and expert on Israel? In this second work of a renewed series of commentaries, Dr. Walvoord addresses alleged historical inaccuracies and considers past and future fulfillments of specific prophecies. At key points different views and approaches to interpretation are explored. Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language. Refined, updated with the English Standard Version (ESV), and streamlined, this classic text is set to help you understand and interpret the book of Daniel and gain a better grasp of what the future may bring.

**The Antiochene Crisis and Jubilee Theology in Daniel’s Seventy Sevens**

Growing out of a conviction that we need to provide older children with a greater understanding of their Christian heritage and the Bible, Dr. Edward Buchanan has authored two resources that are both educational and biblically sound. Parent/Teacher Handbook: Teaching Older Children Everything They Need to Know About the Bible, volume 3 uses a chronological Bible story approach, giving leaders and teachers the core content and information needed to teach children about the Bible. Parent/Teacher Handbook: Teaching Older Children Everything They Need to Know About Their Christian Heritage, volume 4 covers the basics of our Christian heritage and faith including Jewish traditions, missions, hymnody, art, science, and ethics.

**Daniel**

A commentary that correlates directly with the Adult BIL Sunday School curriculum.

**Called To Be God's People, Abridged Edition**
**Daniel**

A collection of essays by theologians and scripture scholars that examines the Bible's evolving attitude toward the dilemma of human suffering.

**Victory on the Battlefield**

In *The Antiochene Crisis and Jubilee Theology in Daniel’s Seventy Sevens*, Dean R. Ulrich explores the joint interest of Daniel 9:24-27 in the Antiochene crisis of the second century B.C.E. and the jubilee theology conveyed by the prophecy’s structure.

**Daniel**

"Should Christians be concerned with faith and evangelism and not political affairs?" In answering this question, *American Crossroads* provides a thought-provoking look at what it means to submit to the governing authorities of the United States of America. Just as God called for Christians to submit to the Roman government that forced its will upon the people (Rom 13:1), so too is God calling for us to submit to the existing form of government in the United States, a government that lives and thrives upon the will and involvement of people. Today, by submitting to the government, Christian citizens are led to influence the American political process that depends upon the involvement of all citizens for its well-being and survival.

**Restoring the Kingdom**

The dream-visions of the Biblical book of Daniel, in which Daniel is given a glimpse into the future, are notoriously hard to understand at many points. What are the four kingdoms of Daniel 2 and 7? Who is the little horn of chapter 7? What event and what evil king are described in Dan. 8? How should we understand the 70 weeks and the abomination of desolation of Daniel 9? Who is the king highlighted at the end of chapter 11? And when is meant by the time of the end? These questions and more have often confounded the readers of Daniel, and a multitude of answers have been proposed. This book suggests that the key to answering all of these questions is in the change of Biblical Covenants from the Old Testament era to the new world of life in Jesus. All of these prophecies, properly understood, are different lenses on the same events, the same point in history—the coming of Jesus to establish the New Covenant through His birth, ministry, death, resurrection, and heavenly enthronement, and the formal end of the Old Covenant, resulting from the Jewish revolt against the Romans and the subsequent destruction of the Jewish Temple in 70 AD.

**Parallel Study Bible-NLT**

This exciting addition to Kay Arthur and Janna Arndt's *Discover 4 Yourself® Inductive Bible Studies for Kids* series leads young believers ages 8-12 on a journey to God's heart using the inductive study method and the wonder of an adventurous spy tale. On this latest quest, young adventurers along with their favorite characters Max and Molly uncover who God is by exploring His many names and what they mean. Discoveries from the Bible, memorable stories, and clever mazes and activities unfold the names of God and His attributes, such as:
The Character of God

The book of Daniel is concerned with religious persecution. Daniel's message in this apocalyptic text, however, assures that God will deliver those who trust God, refuse to worship other Gods, and keep Jewish tradition in the face of persecution. C. L. Seow examines this difficult and provocative book and explores its relevance to faith and the church today. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.

Daniel: God Is In Control

God, What's Your Name?

Like soldiers walking into a minefield, there are some things in life that are unseen but deadly. Just because you may be unaware of something dangerous, it doesn't mean it cannot affect you. There is an old saying "what you don't know can't hurt you." Although it is true that knowledge can bring with it pain, it is much better to be forewarned about danger than to ignore it. In Keith's latest study, If God is For Us, he leads us through the scriptures that help us see that God is for us, and what this means as far as our Christian faith and walk. We have no need to fear when we are assured that God always has, is, and always will provide and protect us. Keith's study brings freedom so that Christians can focus on what God has placed them here for, instead of worrying about spiritual attacks. You will understand the enemy's schemes and learn to walk in your victory.

BOOK OF DANIEL

David Servant has been ministering to Christian leaders in conferences around the world for over three decades. From his experience of speaking to tens of thousands of pastors in over forty countries, he has compiled biblical teaching in this book that addresses the most important issues that Christian leaders are facing today. Servant covers topics such as church growth, spiritual warfare, divorce and remarriage, biblical interpretation, house churches, women in ministry, church government, spiritual gifts, evangelism and many more. He often questions the prevailing opinion, always considering what Scripture says. His conclusions may sometimes surprise you. Servant's foundational condition is that every Christian leader should be making disciples who obey all of Christ's commandments. Translated into many languages, The Disciple-Making Minister is helping Christian leader around the world be more effective in fulfilling the Great Commission.

If God is For Us: Study Guide

The Moody Handbook of Theology leads the beginner into the appreciation and understanding of this essential field of study. It introduces the reader to the five dimensions that provide a comprehensive view of theology: biblical, systematic, historical, dogmatic and contemporary. The apostle Paul wrote that all Scripture is 'profitable for teaching' (2 Tim. 3:16), that Timothy should 'pay close attention to your teaching' (1 Tim. 4:16), and that leaders should 'be able both to exhort in sound doctrine and to refute those who contradict' (Titus 1:9). When he wrote
these statements, Paul was referring to theology. Beyond giving basic definitions and general descriptions, author Paul Enns summarized the substantial features of theology. In this way, he provides a concise doctrinal reference tool for the newcomer as well as the seasoned scholar seeking a refresher. There are fifty-five informative charts located at strategic points throughout the book.

Daniel

These study guides, part of a 16-volume set from noted Bible scholar John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur Bible Studies are an invaluable tool for Bible Students of all ages.

Daniel's Prophecies of Covenant Change

The American Church has fallen under a horrible epidemic where professing believers in God no longer believe in God. They say they do, but most of the time they act like He's not there with their lips and their lives. This unfortunate behavior has now produced a generation of Churches full of so-called Christians who are living like practical atheists, destroying not only their supposed walk with God, but its keeping others from believing in God. Therefore, to avoid this irony of Christian's living like practical atheists, this book, The Character of God seeks to equip you with an intimate knowledge of the One and Only True God from the Word of God, the Bible.

CALVINISM REVISITED

— TRANSFORMING TRUTH STRANGER THAN FICTION —

American Crossroads

Prophets and Kings—Illustrated

Knowing Him by Name is a book of 336 short devotional readings based on the names and references to God the Father, God the Son, and God the Holy Spirit. The names of God reveal details about his character. A person knowing these names, and the context in which they occur in Scripture, will be able to better understand the nature of God. The aim of every Christian should be to increase our knowledge of God. In turn, what we know about God should help transform us into his likeness as we apply these insights to our lives.

The Bible on Suffering

This book has been a life-time quest to understand why God created man and what God is after. It all started in March 1946 when I accepted Jesus Christ as LORD of my life. For sixty-two years I have diligently studied the Bible and sought to find out and to understand What Is God Up To? In December 2004, the LORD awakened me in the night and gave me the outline for the book, GOD HAS A PLAN AND A PURPOSE FOR YOUR LIFE, which was published in February 2006. On the morning of May 31, 2006, while in prayer, the LORD gave me the outline for this book that endeavors to answer the questions: WHAT IS GOD UP TO? WHY EARTH? WHY ETERNITY? I was to prepare a comprehensive study of the Biblical prophets and to correlate all they prophesied in a chronological order that would be related to Earths history and eternity. Oliver E. Summers received a call to the ministry in 1946 when he was a young teenager. His ministerial training began in 1950 when he attended Southern California Bible College (name changed to Vanguard University of Southern California) and graduated with a B.A. degree in New Testament. He attended seminary at Berkeley Baptist Divinity School (name changed to American Baptist Seminary of the West) and graduated with a M.A. degree in New Testament. He also attended University of California at Los Angeles and completed many courses in business administration. His pastoral ministry included pastorates in Oregon, Texas and California. He has served in the Methodist Church, American Baptist Church, Assemblies of God Churches and several non-denominational churches. He also spent time in the financial industry and served as President and Chief-Executive Officer of several independent community banks. For the past twenty-four months he has been in retirement preparing this book.

The Antichrist and the Second Coming
What if the commonly held beliefs concerning the Antichrist are mistaken? The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist (i.e., past fulfillment) perspective and provides a unified interpretation of the little horn, the prince to come, the king of the North, and the man of lawlessness. McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss (Rev. 11:7) that worked through Titus in his three-and-a-half-year destruction of the Jewish nation (AD 67-70; cf. Dan. 9:26). This spirit of Antichrist was about to come out of the abyss in the first century (Rev. 17:8 NASB) and was destroyed by the Second Advent of Jesus in AD 70 (a spiritual event). Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position, and what it means for us today. Dr. Duncan McKenzie is a licensed psychologist (Ph.D. in psychology) who lives in Los Angeles, California. He has been studying Bible prophecy for the past twenty-five years. While he was raised on the popular prophecy teachers of the '70s and '80s, his studies since that time have taken him in a very different direction.

**Finding Jesus in the Old Testament**

Daniel, a young Jewish man taken by the Babylonians as they overrun Jerusalem, is brought to Babylon to serve the great King Nebuchadnezzar. Once there, Daniel begins an incredible journey as he becomes ruler over the province of Babylon, receives visits from archangels, and ultimately, stands in the presence of God. This is all brought about because Daniel chooses to worship God, and because of this, God blesses Daniel with incredible wisdom and insight to interpret "visions and dreams of all kinds." On two occasions Daniel and his friends are faced with the command to worship false gods or be killed. But, in some of the most miraculous events of the entire Bible, God intervenes and keeps them from sure death. Because of the blessing from God, Daniel is able to interpret King Nebuchadnezzar's troubling dream about the future of four powerful kingdoms from the time of King Nebuchadnezzar right up until the time of Jesus Christ's return when God's everlasting kingdom will finally be ushered in. God reveals three powerful kingdoms that will succeed Babylon and carry on their traditions of religion and worship. As you read this book you'll be surprised to learn what kingdom we're now in, how the Babylonian religious system is all around us, and what God says is in store in the future for the nations. Just as in the time of Daniel, those who make the choice to worship the true God today will be blessed with understanding during this turbulent time at the end of the age.

**Daniel**

In this book, Vaughn Allen draws on more than a decade of personal experience in ministering to "those possessed by evil spirits." He writes with conviction that restoration of this long-neglected aspect of the gospel ministry is more needed now than ever-a need which will become even greater as we draw nearer to the second Advent of Christ. "Souls possessed with evil spirits will present themselves before us. We must cultivate the spirit of earnest prayer, mingled with genuine faith to save them from ruin, and this will confirm our faith. God designs that the sick, the unfortunate, those possessed with evil spirits shall hear His voice through us."

**Lesson Commentary, September 2008-August 2009**

Discovery and Application on the Same Page for the First Time! Now you don't have to choose between context and application. Expository study notes help you understand the Bible like a 1st-century believer. Number one-selling Life Application notes help you apply its truths in a 21st-century world. This Bible recognizes that Bible application is best done with a thorough knowledge of...
historical and literary context. The NLT Study Bible is excellent at establishing this base. The Life Application Study Bible content can then guide the reader in concrete steps toward application. The New Living Translation is an authoritative Bible translation, rendered faithfully into today's English from the ancient texts by 90 leading Bible scholars. The NLT's scholarship and clarity breathe life into even the most difficult-to-understand Bible passages. That's why we call it "The Truth Made Clear."
